

ALL PRO LANDCARE

MAINTENANCE

February 23, 2009

To Whom It May Concern:

As Owner and CEO of All Pro Land Care of Tallahassee, Inc., I am pleased to recommend my business associate Toni Trimarco. I have worked closely with Toni for more than eighteen years and I am very impressed with her work.

As Property Manager for the Capital Region Community Development District (CRCDD), Toni was responsible for the management of the Southwood Community right-of-ways, common areas, parks, nature trails, preserves and conservation areas. She handled aspects of operation including landscape and irrigation maintenance, pond maintenance and repairs, turnover of newly constructed units as development was completed, street tree issues, tree and limb removal, governmental projects, budget issues, community events and resident relations. In addition to her exemplary field work, Toni has excellent written and verbal communication skills, can work independently, and is able to follow through to ensure that the job gets done. Toni was always willing to offer her assistance and had an excellent rapport with the many parties involved, including Homeowners, Board members, City and County officials, vendors and other professional organizations. Her work has been a major factor in the continued growth of the District.

Toni has been a pleasure to work with and we are very sad to see her leave. I would whole heartedly, without any reservation, recommend Toni to you. I am sure she will be a tremendous asset in any endeavor she chooses to pursue.

Sincerely,

Robin Barber
